

The logo for the International Center (IZ) features the lowercase letters 'iz' in a bold, black, sans-serif font. The letters are positioned over a stylized globe composed of a grid of small grey dots. A decorative banner with a repeating pattern of small, colorful squares (green, blue, yellow, red, purple) runs diagonally across the globe and the text.

3. Beyond borders

We connect refugees and students from Trier.

Usually more people involved in a “Tandem group” (2 locals, 2 refugees).

Participants are free to choose how much time they want to spend with each other and what kind of activities they want to do.

All “Tandem groups” get to know each other during internal meetups to share their experience.
